ORGANISATIONAL ENVIRONMENT

MCM (Melbourne City Mission) is a leading community services organisation that innovatively works alongside thousands of Victorians and their communities to overcome barriers experienced through Homelessness, Early Years, Disability, Palliative care, Early Childhood Intervention Services and Education.

With deep experience working with communities experiencing disadvantage, MCM advocates for systemic change, working across all sectors to sustainably disrupt such disadvantage.

Since 1854, MCM has been striving for those experiencing disadvantage to live their life, their way.

JOB CONTEXT

Homes First is an innovative five-year program based across the Local Government Areas of Brimbank/Melton and Hume/Merri-Bek regions.

During the COVID-19 pandemic, the From Homelessness to a Home (H2H) program was implemented as a landmark investment in scaling up a program based on Housing First principles. As part of the 2023-24 State Budget, funding was allocated to the Sustained Solutions for Housing First To End Rough Sleeping to embed Housing First principles as a feature of the Victorian homelessness system. Under the 2023-24 State Budget, \$48 million over 4 years has been allocated to continue the H2H program under a revised service model to be known as the Homes First program.

Homes First is one of a suite of programs to support people sleeping rough and experiencing persistent homelessness. Our support model includes allied health, specialist housing, assertive outreach, therapeutic supports, early intervention & prevention services, legal, education and employment support.

The program reflects MCM's Core Values, which are, Together, Accountable, Courageous, Curious and Open.
